Letter of Recommendation for Marklyn Johnson:

I am writing this letter of recommendation to Marklyn Johnson (MisterDirect). After meeting Marklyn few years ago, going to a few of his shows and following him through social media, I thought he would be a perfect match so I asked Marklyn to host my political candidate kickoff event at Crossroads in Garwood. Knowing how boring political events can be I wanted my event to be fun, entertaining and funny and thought Marklyn would bring those vibes I envisioned.

Marklyn agreed to host and advised me of what he needed to make sure the event was a success. Marklyn kept the crowd engaged, jokes were great and kept the crowd laughing and entertained throughout the evening. I was satisfied with the way Marklyn conducted himself and received positive feedback on how well he did. I had Elected Officials which included a State Senator, Assemblywoman, Freeholder, Mayor and a few Council Members and all gave positive feedback on my kickoff event and stated they have never attended a Political event like this one.

I think Marklyn has the skill to work a crowd in any setting and for him to entertain guests at a political event was an absolute accomplishment.

If you would like to discuss this further I can be reached at 908-494-7182

Respectfully,

Carlos Gomez
